

Dear Colleagues,

We are happy to announce that the first call within the PASIFIC Programme is open! Now interested scholars of any nationality and representing all research disciplines can apply for 2-year postdoctoral fellowships at the institutes of the Polish Academy of Sciences.

The PASIFIC fellows will be offered a monthly allowance of approx. €2,500 net. Those, who decide to come to Poland together with their families, may be entitled to an additional family allowance. In addition, they will be granted a research budget of up to €93,000 per project. The deadline for applications is June 30th, 2021.

To apply for the PASIFIC fellowships, candidates must be in possession of at least a doctoral degree or have 4 years of full-time equivalent research experience. Also, they must comply with the MSCA mobility rule and have not carried out their main activities in Poland for more than 12 months during the three years prior to the call's deadline (July 1st, 2018 – June 30th, 2021).
