Additional Course

DUTCH AND EU PENSION LAW

Prof. Dr. Hans van Meerten

Professor in European Pension Law at Utrecht University

Course description: The course will discuss the most important European legislation (such as the Charter of Fundamental Rights of the EU, IORP and PEPP) and its consequences for old-age pensions. This course will also deal with pension systems worldwide, with a special reference to Dutch pension system and Dutch experience in implementation of the most important financial European legislation. Also, we will draw lessons for the pension system of Serbia, since only 3-10 percent of employees in the Republic of Serbia are "covered" by private pension insurance, while the process of harmonization of Serbian law with EU law in this field has not been started yet.

Undergraduate, master and Ph.D. students can attend the course. Applications (full name, contact details, student card number - "index" number) should be sent to *filip.bojic@ius.bg.ac.rs* by October 10. The students elected for the course will be informed about that by October 20.

Successful course participation shall be awarded by a Certificate.

The course will start on Monday, October 24, 2022 and end on Friday, October 28, 2022. It will cover 10 lectures that are going to be held at the Faculty of Law.
