

The Law Faculty of the University of Belgrade has the honour to welcome
Alain Berset, Secretary General of the Council of Europe

Towards a New Democratic Pact for Europe

Moderation by Professor Ivana Krstić

The Secretary General's address will be followed by an exchange with the students. You are all welcome to engage in this discussion.

Democratic backsliding, disinformation, impunity, and authoritarianism are undermining democracy in Europe. A collective response is needed. The Council of Europe unites with its partners to boost solutions that work and create new responses. To identify them, consultations are needed. The New Democratic Pact serves as a **collective and inclusive process** – not to reinvent democracy, but to reinforce its foundations, amplify its benefits, and innovate its form to make it tangible for everyone, especially younger generations.
